When arriving at the CHS9/CHS campus the following guidelines should be followed

A. You must have the following in your bag/with you in order to participate:

- a. Your own water bottles that have been filled at home. You can bring a plastic water bottle to refill.*
- b. Masks are required for the entirety of the practice. No exceptions will be made.*

B. You must arrive during your call time, as scheduled, wearing a mask.

- a. You will have your temperature checked prior to entering the building*
- b. Once you enter the building, you will go directly to the assigned gym where you will be directed to your assigned spot for the day. Take your belongings with you to your assigned spot.*
- c. There will be no crossing between Silver Star candidates and Lariette candidates during practice.*

D. During practice we will follow these guidelines:

- a. Students should be dressed appropriately for dance in the gym. Bring proper shoes for turning, leaping, kicking, etc. Jazz shoes and tennis shoes are suggested.*
- b. Assigned positions during practice to maintain 10ft Social Distancing as recommended in the UIL guidelines.*
- c. Social distancing MUST be a top priority for all individuals through the duration of practice.*

d. All students can bring their own towel from home to use to wipe the sweat or keep belongings on as needed- this will stay near their assigned spot

e. All students can bring their own hand sanitizer to use throughout the day

**Additional hand sanitizer will be made available, but we encourage students to have their own to keep at their spot*

g. All students will have a mask that they will wear when entering and exiting the building, dancing, or when using the restroom.

h. Students may not share water, food, towels, or any other personal items.

i. Students are encouraged to sanitize their hands upon entering & exiting any room/building.

j. Students must thoroughly wash their hands after using the restroom

C. The following guidelines will apply at dismissal

a. Students will maintain social distance as they exit the building.

b. Students are not allowed to “congregate” on the school grounds after rehearsal.

c. Parents of students must pick up their students promptly and may not enter the building.

d. Students who drive need to make sure to immediately get in their car and leave campus .
